Hello!!!

Dear Parents,

On behalf of the Victoria School Parent Support Group, a warm welcome to everyone to the Victoria School Community.

Today marks an another new milestone of your son's life after the PSLE.

Please allow me to introduce you to our parent group. Our vision is to be a valued partner in the well beings and developments of the Victorians, working in close rapport with the school, and this come with our mission to partner with the school in bringing the best out of every Victorians, and to continue to the perpetuation of the special Victorian spirit.

The VSPSG is active throughout the year in parent education, teacher & student support. We will usually start the year with our tradition Coffee Talk, "Transiting Your Child into Victoria School" organised specially for the Level 1 parents who are new to VS. The talk will be held on Wednesday 19th January 2022. In view of the current Covid-19 situation, the talk will be conducted virtually this time.

The next 4 years of your son's secondary school life will no doubt be a key milestone in their journey of discovery and growth. What you see in your 12 years old son today, will soon blossom into a gentleman whom you will be proud of in a blink of an eye.

And as a parent, I believe we will also want to play a pivotal part in our son's development and witness their growth in partnership with the school. I can assure you, VS is always doing its utmost to ensure our sons are developing holistically and providing the platform for them to find their own potential. The work that we are doing in VSPSG will definitely go a long way to help support that meaningful cause.

The VSPSG is run entirely by a group of parent volunteers and funded by your one-time membership fee of \$40. With the VSPSG funds, we have also sponsored academic improvement awards for our Victorians, and supported some of the school's other activities. We hope you can join us as a member, and volunteer your time or expertise to enrich the boys' secondary school education at VS.

May I take the opportunity to wish all you a Happy Merry Xmas and a Happy New Year 2022.
