A very good morning to our Guest-of-Honour, Mr Lim Biow Chuan (our alumni), Dr Sim Hong Gee (Chairman, Victoria Advisory Committee), Mr Loke Swee Leong (President, Old Victorians' Association) and Ms Jacqueline Ho (Chairman, Parents Support Group), fellow Victorians, staff, students from past and present, as well as parents of our prize-winners, welcome to the 145th Anniversary and Speech Day of Victoria School.

This year, 'Victoria is something more.'

We celebrate the achievements and also affirm the good work and contributions of our Victorians and our staff. In many areas of their work, our Victorians aspire to lofty, noble causes, not just through the pursuit of education, of knowledge, but also how they apply what they have learnt to contribute to the community, society and to the nation. Every Speech Day, we invite prominent alumni to share what they have learnt, and gained through their education in Victoria School, and how it has shaped them in the way they pursue their passions in life. We'd like to thank Mr Lim Biow Chuan for taking time to share with our community, things that have impacted him through his school life as well as how he has contributed back to the nation. We hope he continues to serve as an inspiration to our young men.

This is a day for us to celebrate the successes of everyone, not just in the academic domain, but also in co-curricular achievements. Despite National School Games being suspended, our Sportsmen managed to find other opportunities to excel in their sports. Our Performing Arts honed their talents in modified Singapore Youth Festival performances; Uniformed Groups, Clubs and Societies pivot to online competitions and training sessions. Most important, our Senior Victorians pass on grand traditions to the young ones to emulate, so that they carry on the leadership mantle and further the rich heritage and traditions of their CCAs.

# PRINCIPAL'S SPEECH

In leadership, we also see many illustrious alumni who continue to serve and champion the way to help those in need. Humble in their leadership qualities but strong in their competencies, our Victorian leaders have continued to show the way to other Victorians how they can serve the community, to better humankind. This is especially important amidst the COVID pandemic where we are still struggling, and where we witness how others need the support from those around them. We hope that Victoria being something more, is not just about the pursuit of their passions, but also how you can find ways to come up with solutions to solve problems and help those in need. We are very proud to share that many of our Victorians have in their own ways contributed to the nation, to society, uplifting others from their circumstances. We hope that this spirit of giving back will continue to flow in the blood of all Victorian brothers.

We'd also like to thank our teachers and staff who have shown their unwavering spirit, summoning their herculean efforts, to ensure learning continues for our Victorians, supporting them in their growth and development. We are proud to affirm our teachers who have attained the MOE and Victoria Long Service Awards this year, amongst others. In their various capacities our students have grown under the care of our teachers, to grow into Gentlemen, Professionals, Sportsmen. We invite our parents to join in our celebration today. Thank you for partnering us all these years. Our Victorian sons will continue to make us proud.

Last but not least we'd like to extend our gratitude to our donors, alumni, stakeholders and well-wishes, for contributing immensely to the school. We are confident we can depend on one another and forge ahead as a Victorian community to embrace the future to come.

Congratulations to all our prize-winners!

Stay strong, stay safe and keep well.

Thank you.

Nil Sine Labore.

## NATIONAL ANTHEM

### Majulah Singapura

Mari Kita rakyat Singapura  
Sama-Sama menuju, Bahagia  
Cita-cita kita yang mulia  
Berjaya Singapura!  
Mari-lah kita bersatu  
Dengan semangat yang baru  
Semua kita berseru  
Majulah Singapura!  
Majulah Singapura!

### Onward Singapore

We, the people of Singapore  
Together march towards happiness  
Our noble aspiration  
To make Singapore a success  
Let us all unite  
In a new spirit  
Together we proclaim  
Onward Singapore  
Onward Singapore

**Music and Lyrics by Zubir Said**

## VICTORIA ANTHEM

Victoria In Singapore,  
There are other schools we know,  
Victoria is something more,  
The school that watch'd us grow.

For here we've learnt and striven too,  
And played the sportsman's game,  
Victoria, we give to you  
The honour that you claim.

Victoria thy sons are we,  
And we will not forget,  
Victoria thy triumphs see,  
And victories we share yet.

For others came before and went,  
And carried to the world,  
Victoria's fame and our intent  
To keep her flag unfurled.

Lyrics by J A Frazer  
Music by W E Meyer
